Continuation Sheet (PTOL-413)

Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicant's representative explained the difference between the prior art and the amended claims and the newly added claims. Applicant amended the preamble of the independent claim and some of the dependent claims. Examiner indicated that that if the scope of the claims has changed, it will require further search and due consideration. Applicant's representative also indicated that he could not find some of the claimed features of dependent claims in the prior art.
